

2023 International Conference on Interactive Mobile Communication Technologies and Learning

#### IMCL2023

# "Smart Mobile Communication & Artificial Intelligence"

Porto Palace Hotel\*, Thessaloniki, 9-10 November 2023

\* IMCL2023 is planned as an onsite event. Remote presentations will be supported.

# Special Session Call for Papers ICTs for Entrepreneurship Education (IEE)

## **Overview**

The special session "ICTs for Entrepreneurship Education" aims to explore the role of Information and Communication Technologies (ICTs) in fostering entrepreneurship education. The discussions will focus on innovative approaches, strategies, and tools that use ICTs to enhance entrepreneurship skills and knowledge among learners in formal, informal, and nonformal education. Those who join us in this special session will explore the connection between ICTs and entrepreneurship education, share research findings, and exchange practical insights to empower the next generation of innovative and successful entrepreneurs.

# **Topics**

- Formal, informal, and non-formal learning in entrepreneurship
- Online platforms and applications for entrepreneurship education
- Gamification and simulation for entrepreneurship education
- E-learning methodologies and digital materials for entrepreneurship
- Al and machine learning in entrepreneurial education
- Social media and digital marketing skills for entrepreneurs
- Data analytics and business intelligence in entrepreneurship education
- Cybersecurity and privacy considerations in entrepreneurship education
- Collaborative and networking platforms for entrepreneurial ecosystems

2023 International Conference on Interactive Mobile Communication Technologies and Learning

#### IMCL2023

## "Smart Mobile Communication & Artificial Intelligence"

Porto Palace Hotel\*, Thessaloniki, 9-10 November 2023

\* IMCL2023 is planned as an onsite event. Remote presentations will be supported.

# **Contribution Types**

Special sessions, held in parallel with the general conference, are an integral part of the conference. Special sessions papers are required to meet the same standards as papers in the general conference and are published in the same conference proceedings.

The length of special session papers is 8-10 pages.

# **Presentation Types**

IMCL2023 is planned as an onsite event. However, distant/pre-recorded presentations for special session papers are supported.

# **Proceedings**

All special session paper submissions are subject to a double-blind reviewing process. Only accepted and presented special session papers will appear in the proceedings if they have been uploaded before the deadlines. The conference proceedings will be published as IMCL2023 Proceedings in the Springer series "Lecture Notes in Networks and Systems".

More info is available at: https://www.imcl-conference.org/current/proceedings.php

# **Important Dates**

17 Jul 2023 Submission of complete papers for special sessions

31 Jul 2023 Notification of acceptance

13 Sep 2023 Camera-ready due & author registration deadline

09 Nov 2023 IMCL2023 Conference Opening

More info is available at: <a href="https://www.imcl-conference.org/current/deadlines.php">https://www.imcl-conference.org/current/deadlines.php</a>

### **Submission**

Please visit: <a href="https://www.conftool.org/imcl-conference-2023/">https://www.conftool.org/imcl-conference-2023/</a> and submit your paper by selecting the respective special session.
